## ROOM 3 have been writing about kindness

*Kindness is being helpful, kind and respectful. I helped mum and dad by cleaning the lounge. Kindness is about helping other kids. Hunter helped me get unstuck from the tree. By Sultan*

*Kindness is being nice to others, helping other people and forgiving friends. My friend Jaxon was being nice to me and it made me feel special. When we went to the park I went on the flying fox. In the middle I fell off the flying fox then Jaxon helped me feel better. By Denys*

**HEALTH SURVEY** Thank you to all of you who completed the health survey to school last week – we had 20 surveys returned. The majority of parents support our ideas and what we are doing regarding health education here at Ngatimoti. The

Life Education truck is here next Monday to Wednesday and we encourage any interested parents to come along and join in with one or more sessions to find out more about it. Call the office for the Life Ed schedule details. Also, It's not too late to request another copy of the survey or hand in yours if you have not yet done so.

## A FIRE SAFETY MESSAGE FROM GABRIEL IN ROOM 4

We learnt fire safety. Go to the door if you hear your fire alarm going. And then use the back of your hand to check if there is not a fire on the other side. If there is, jump out of the window. Go to the letter box so your family can have a little meeting together. If you are frying don't leave it to keep on frying, otherwise it will set a fire. Don't put water on it. It will set a fire too. So be careful of what you are doing!

**NETBALL** The Ngatimoti Diamonds kicked off their season with a very convincing win and Ari was our first player of the day this season for her amazing skills in the shooting circle. Well done! Huge thanks also to Mrs. Turner for giving her time to come and support the team.

Our lunch duty coordinator is Catherine (Beau, Louie & Chico's mum) and you will see this term's roster below. If you are unable to do your duty please either swap with another parent or call Catherine on 526 8891 so that we can make an alternative plan.
