NGATI NETS – Tom, Isis, Tui, Cole, Henry

NGATI NINJAS – Inca, Jasmine, Naomi, Nina, Mikayla

Next week's draw will be sent out as soon as possible.

**Reporting to Parents** At the end of last term, all Room 5 and Indigo students, as well as the Year 1 to 3 students who were due, had a school report sent home. Teachers would love to know how you responded to them! Did you understand where your child is, in relation to the National Standards? Do you have any concerns that you would like to discuss with a class teacher? If you would like to follow anything up, please do not hesitate to make an appointment with the class teacher in the first instance, or with Ali.

**Coming up next week is International Languages Week.** All students will have an opportunity to hear a few different international languages, and to think about some reasons why it is helpful to know another language. If you speak another language and could spend a small amount of time sharing it, we would love to hear from you! Please let Ali know.

**Health and well-being:** At this time of the year there are a number of coughs and colds around. Please remind your children to cover their noses when coughing or sneezing by using the crook of their arm! Hygiene is especially important to contain the spread of germs and so reminders about how to blow noses and wash hands are also timely.

**FESTIVAL – 22 OCTOBER 2017** It is 73 days until Festival Day!

[ngatimotifestival@gmail.com](mailto:ngatimotifestival@gmail.com)

**PLANT STALL DEBS & ROOM 3 will be running the plant stall this year and they need help!**

Please send any donations of seeds, seed-raising mix, pots and trays for planting etc, along to Debs as soon as possible. If any parents are willing to help with a watering roster and to help grow seeds and pot on seedlings etc, please let Debs know.

**Flyer Advertising:** We will be organising the printing of our flyers for this year soon – do you own/run or know of a local business who would like a small advertisement on the back of our flyers this year? There are 2 small ad spaces left (approx. 2 x 4cm) available for a small donation to Parents group festival funds of \$50 per ad. Approximately 5000 flyers are distributed around the region at the start of October. Ask Amanda in the school office if you are interested.

*Henry displays his cannonball creation. The Indigo Room have been busy working on their technology challenges.*

Last Thursday evening, Room One celebrated the opening of their new classroom. Here is some of our writing about the event!

We made pizza with salami, olives and cheese! By Beau

I made a pizza with cheese, tomato, and salami. By Chase

I made two pizzas with my mum.

By Liam

I played Cheeky Little Pixies, and I was a pixie. By Max

We had a pizza party, and it was fun because we played games, like pixies and parachute. We also got to eat pizza made by Room One.

By Zenaydah

I went to a pizza party. I love pizza! It is so good. By Julius

The pizza party was pretty good. I mean the best! I ate a lot of pizza. I really liked it. I had a great time.

By Kaisami

We had a pizza party to celebrate our new room. I really liked playing with my friends. The whole thing was fun. I made two pizzas. I dressed up as superman. Ms Turner and Mrs Milnes played games with the class in the hall. I played Simon Says at the party, and Mrs Milnes was Simon!

By Alex C.

### How to Make a Pizza

You get a pizza base and you put on the tomato paste, and then you put your toppings on. Put it in the oven to cook for ten minutes.

By Kaisami

Q: How do you fix a broken pizza?

A: With tomato paste.

Q: "Waiter, will my pizza be long?"

A: "No sir, it will be round!"

Q: What did the pepperoni say to the cook?

A: You wanna pizza me?

Q: Where do pepperonis go on vacation?

A: The Leaning Tower of Pizza.

Warning! Pizza will make your clothes shrink.

We really love our new room. There are many advantages to being in this modern learning environment. Do you know what this term means? A modern learning environment is an updated, insulated and safe room for children to learn in. Room One has spaces for different activities, and can be opened up to include Room Two, for when we have special events, or need space to spread out our learning activities.

Here is some of our thinking about the new room compared to Room Four:
