All eyes were on the NZ Playhouse performance this morning!  
Thanks to Festival funds for making this free for our students ☺

The Indigo Room students have been investigating some of the properties of harakeke. They learned about the strength of the fibre, and as well as using kilogram weights, they decided to use Ms. Turner as a test of their harakeke swing!

**Room 1 News:** Our junior room will be visiting Motueka Library next Monday afternoon. The class will leave school at 11.40am and return in time for the end of the school day. Please also send your child with their library card if they have one and wish to borrow books from the town library on Monday.

Junior parents; please check your child's school bag every day for information. Have you all seen the notice regarding the Reading Together programme? All Room 1 students need to bring their reading packets and word rings to school with them every day. Thankyou.

**Parent Group** At the last Parent Group meeting, a conversation about parents helping with transport on school trips led to a decision to offer a small contribution towards petrol costs. This is partly to encourage a wider group of parents to participate in trips, and also to acknowledge the rising cost of petrol. If you have helped recently on a school trip and you would like a petrol voucher, please pop in to the office to collect one. We really appreciate your help and support, and thank the Parent Group for their generosity!
