A message from Ali: Term 2 is fast coming to an end. Huge thanks to you all for making it another successful term of learning for your children. Making reading at home a positive habit, coming along to share ideas at Parent Student Teacher meetings, supervising, transporting and managing at trips and sports events, and just knowing what is going on for your child at school all make for a busy parenting role. Thank you.

Next term I will be on sabbatical leave for the term and Heather Reid will be Acting Principal. Lauren Milnes will return as Deputy Principal and teacher in Room 4. Farewell to Mara Kennedy, you have been a fabulous member of our team – thanks for all the care you have shown for our students, the fun and laughter you have brought to the staffroom and the great support you show to everybody. We hope you can look back on your time here at Ngatimoti with fondness and humour.

Quiz Night Last week's fundraising quiz night was a real winner, with \$870 raised for the school music department. Huge thanks to Glenn and all who attended. Funds raised will be equalled by school to purchase instruments. Watch out for the next round next term.

Matariki mid-winter swim celebration this Friday If anyone is brave enough for a quick dip in the school pool at 12.30, bring your own togs and towels. Traditionally this has been an event for senior students to participate in, however if your child arrives at school with their own togs AND a towel, they can participate! All swimmers will be offered a hot Milo afterwards!

Enviro Time for all students continues this Friday 11.30am – 12.30pm This Friday for the final enviro rotation of this term, **Red house will study the water cycle, Green the gardens, Blue for the birds** and **Yellow house will visit the stream (bring your gumboots).**

Board of Trustees In line with our mid-year reporting process, we invite you to submit some feedback on our policy of 'Reporting to Parents on Student Achievement', which is currently under review **before Friday 9 July.**
